

Messages from Fans, fellow ministers, and churches

Terry Mott Director of Missions Arbuckle Baptist Association

"Please allow me to recommend having Ron Jarman in your church for a musical concert that will bless your heart. God has opened the doors for this ministry to be shared in many ways and reach many hearts. My friend, this is not just a music service, this is a ministry. Ron desires to minister God's Word and Love to the hearts of God's people and share the Hope of Jesus Christ with a lost world.

From his rich testimony, helpful insights, and unique voice, your church will be exposed to a blessed time of worship and inspiration"

Cletis Lee, Pastor Bradley Baptist Church

"Monday, Feb. 17, I began studying for the next Sunday sermon. The Lord kept leading me to John 21:1-14. I kept thinking of your testimony from Saturday night. I became burdened about the many in Bradley who have rejected the gospel so often. As I worked on the sermon Tuesday, all of a sudden the words came to me to return to soul fishing.

I just wish to let you know you were an inspiration. Your witness did make a difference. I heard more praise Wednesday about the powerful messages from your music"

Winston Shaffer, Pastor Eastland Assembly of God

"I recently invited Ron Jarman to minister in my church service here at Eastland Assembly of God in Tulsa, Oklahoma. His ministry was so well received and our people want to have them again in the future. His wife, George Ann was with him and supported him all the way."

Barbara Delacerda "Snowflake" clown ministry

"Just wan to take another minute and let you know how much your CD has become to me. I have listened to it several times since you shared it with me. But yesterday evening, I wanted something in the back ground as I was working on the computer. I put your CD on, with it on repeat. I did not realize how much it was ministering to me until I found myself weeping. The song "I Thirst" was playing. I had it on aprox 4 hours as I was working, every time that song played it tore at my heart. Even when I didn't think I was truly paying attention.

This morning as I was getting ready for church, I again turned it on and (it is playing now too). I must say in this morning's worship service was the best I have been in for months. I know it was because your music had me centered on the Lord and ready to worship even before I arrived at church"

Lou Hall – Pauls Valley Samaritans

"Words are certainly inadequate to express our gratitude for all your work in organizing and performing at the gospel singing. It was a huge success thanks to you and the outstanding artist you assembled."

Myrtie Bommer Putnam City Baptist Church

"Last Thursday, you and your friends were our guest at pioneers. I want to let you know how much I enjoyed your singing and your accompanying music was just beautiful. God bless you as you serve the Lord with your beautiful voice."

Gay Templeton – Pastor United Methodist Church Elmore City

"I am a United Methodist pastor. It is a testament to the unifying power of Jesus Christ that Ron Jarman's message finds its way without thought of denominational lines. The message he sings and speaks is the love and saving grace of Jesus. Ron's love of the Lord shines in all that he does and becomes powerful as he sings that love to all who will listen as he did in our church. Ron has one desire and that is to take the Gospel to the world. If you want to light new fire or stir life into an apathetic congregation, Ron's passion and the power of the Word is a good place to begin."

Miles Philpott – O'Neal's Jewelers Pauls Valley, Ok

"Just a note to you good folks to tell you what a personal impact your artist, Mr. Ron Jarman is making in my wife's and my life, with his CD "He Chose Me". I was Ron's neighbor for several years. He bought 10 acres next to my place in the country and we shared a pond and good fellowship. I never knew he could sing. During this time Ron was working virtually 7 days per week developing software and an inventory business. We shared common goals of trying to achieve financial success, etc. Due to circumstances beyond his control and an unfavorable lawsuit, Ron's hard won success went south. I always knew that he was a good, honest, hard working and very likeable person and I knew that his financial goal had taken a giant step backwards, but I did not truly understand the trauma this played in his life. I now know that he turned himself over to the Lord and what an impact he is having with many people I know."

Residents of Danforth Senior Center – Oklahoma City

"We would like you to know how much we enjoyed Ron Jarman's beautiful voice and the way he ministered to people with a song and the Word."

Pastor Dale Chambers – Erin Springs Church of God

"What a delight to meet you and your wife. I can't tell you what a blessing your ministry in song was to all of us at the Erin Springs Church of God this past Sunday afternoon. God has truly blessed you with a wonderful gift. Your anointed singing certainly touched the hearts of many. We trust that God will continue to use you as you follow Him."

Sulphur Veterans Center Sulphur, OK

"The residents and staff of the Sulphur Veterans Center appreciate your thoughtfulness and generosity. It was so kind of you to think of our residents."

Cindy from the Department of Public Safety – Oklahoma City

"I just wanted to take a minute and tell you that for the past few days the recent news events have been upsetting me. I have had to just turn my worry over to God and let Him handle this one. The threat of chemical warfare is a bit more than my brain can handle. I'm saying all this to tell you that when I turned this over to God I had to make a decision not to listen to the news at work. So, with that decision I brought my CD player up here and for the past week you and God have been calming my soul. I have listened to your CD "Redeeming Love" over and over again. I think this is my favorite CD. Anyway, I just wanted to thank you for recognizing your talent and using it for the glory of God. Through your music you have helped me more than you could know. God knows because He has used you to help me get through this. Your music has calmed my soul and given me peace. I thank you for that."

Tim Weaver – Norman, Ok

"I want to say thank you for staying late on Monday. It is always a pleasure to see you and I really appreciate your friendship. I am so glad the Lord has brought you into my life. I do not think our Lord will have a problem with me spending his money on songs of prayer and praise. Songs that have the anointing of "The Holy Spirit", which bring tears. Songs that soothe the soul and nourish the heart."
